The George Elder Class is working toward the purchase of an AED (Automated External Defibrillator) to be placed in the hall near the kitchenette. Training in CPR and using the defibrillator would be given to those willing to take the training. The expected cost of an AED is \$1000.00-\$2000.00. \$500.00 has been pledged toward the purchase. Run 5 Feed 5 is a 501c3 organization that hosts events throughout the year including a 5K walk in the Spring to fund programs that feed hungry children. Our mission started in 2014 with the hope of raising money and awareness for the dire childhood hunger problem in our communities. In the first five years of fundraising, over \$225,000 has been raised to fight childhood hunger and we continue to expand our fundraising efforts! Right now in North Carolina, one out of every four children is going hungry, and our goal is to fight that statistic!

The Tim Kennedy and Friendship Class will host 5th Sunday breakfast Dec.30th. The tentative plan is to serve in the community room based upon weather conditions. We are honored to have Run 5 Feed 5 representatives Kevin and Kim Reddick speak about childhood hunger in Randolph County. Monetary donations will be accepted during the program to support this need in our community.

The Youth Group would like to give a special THANK YOU to everyone who came to our program, "The New Testament" last Sunday. We would like to extend a special THANK YOU to Myndy Walden and Jason Metters for their involvement in our Christmas Program. Mrs. Walden was instrumental in helping us set up and pulled together many of our props and costumes and Mr. Metters played the role of our grumpy Pharisee. We appreciate you and your assistance in our skit!
