The George Elder Class is working toward the purchase of an AED (Automated External Defibrillator) to be placed in the hall near the kitchenette. Training in CPR and using the defibrillator would be given to those willing to take the training. The expected cost of an AED is \$1000.00-\$2000.00. \$500.00 has been pledged toward the purchase.

If your class can help with this project please call  
Kay Nichols (336-431-3547).

Run 5 Feed 5 is a 501c3 organization that hosts events throughout the year including a 5K walk in the Spring to fund programs that feed hungry children. Our mission started in 2014 with the hope of raising money and awareness for the dire childhood hunger problem in our communities. In the first five years of fundraising, over \$225,000 has been raised to fight childhood hunger and we continue to expand our fundraising efforts! Right now in North Carolina, one out of every four children is going hungry, and our goal is to fight that statistic!

We are pleased to have Kevin and Kim Reddick speak at the 5th Sunday Breakfast! Please make plans to come out and enjoy this time of Fellowship and learn more about this great organization on December 30th!
